MegaCast
BY FUTURE B2B

ActualTech Media's MegaCast themed tech webinars have been proven to be a leading way by which business and technical decision makers educate themselves on technologies and what's available to them in the market.

These multi-vendor virtual events offer viewers back-to-back presentations from 6 to 8+ vendors that have a story to tell around the theme of the event.

EcoCast
BY FUTURE B2B

The EcoCast is a smaller version of our MegaCast tech webinars and provides a variety of more targeted-focus themes. With 2 to 6+ vendor participants and a minimum of 400 event registrations.

While The Vertical EcoCast is a more targeted version of our EcoCast multi-vendor tech webinar. With 2 to 6+ vendor participants and a minimum of 150 event registrations.

Both EcoCasts and Vertical EcoCasts are a perfect way to tell a receptive audience about your product or service.

VIRTUAL SUMMIT
BY ACTUALTECH MEDIA

Summits feature up to 15 leading technology companies from a cross-section of concentrations, including cloud computing, enterprise storage, converged and hyperconverged infrastructure, networking, security, data protection, disaster recovery, data, development/DevOps, and more.

With a schedule intended to expose the audience to a broad swath of information, the tech webinar event will consist of presentations from each vendor presenter, as well as keynotes from independent experts, each of whom will share their thoughts, opinions, guidance, and advice with our audience.
